

Presidents Welcome to the 2019 Season.

Members, supporters, sponsors, players, staff and volunteers - Here we go again in 2019, so welcome to the 2019 footy season.

Whilst the Club are proud to be reigning back-to-back premiers, we commence the 2019 season like all other clubs - equal on zero points, but with the hope of winning a premiership.

All three teams - Seniors, Dev Squad and Colts - participated in the big dance in 2018, which was a fantastic result and testament to the efforts made in recent years to invest in our local youth. This year, the club are hoping to again go deep into September in all 3 senior grades.

Round 1 will be held on Saturday 6th April at Salk oval against Broadbeach. Important day on many fronts, as the club will be unfurling the 2018 premiership flag in addition to our new Senior Coach in Jess Sinclair.

Round one will be sponsored by Sentrika (previously known as QGR) with a trophy to the winning senior team and award to best player on ground. Our Golden Lions Group are resurrecting this year with a roar and will be holding a meet and greet event on this day.

As always, 2019 will see a continued focus on the 3 core values embedded in our Club motto - Local, Loyal and Family.

LOCAL - The success of PBC players in the AFL draft and voluminous young players within the Suns Academy reinforces our Local stance and Jess Sinclair will continue to focus on the development of our juniors.

LOYAL - PBC are fortunate to maintain many of the 2018 sponsors, demonstrating loyalty from both parties. All persons associated with club are encouraged to utilise our local sponsors. The PBC Sports Club as one of largest donor's to the club continue their loyal support in 2019 with further initiatives to entice our club supporters and players to their venue. Refer to their website www.pbcsports.com.au for details.

FAMILY - The unique and respected PBC culture is based on family and support. These attributes will be further emphasised by all club persons and the reintroduction of the Golden Lions group with inclusive criteria to include, ladies, past players, supporters or anyone who has an interest in the club.

The success on the field is largely reliant on the PBC Family that supports and nurtures our great club.

We look forward to seeing you all at Salk Oval at Round1 and throughout the season, to support all festivities and our three teams.

Anne Cornish

President
